The image consists of a grid of yellow text on a dark blue background. The text is arranged in a repeating pattern of the words "NINETEEN", "EIGHTY", and "TWO". These words are placed in various orientations: some are rotated 90 degrees clockwise, some are rotated 90 degrees counter-clockwise, and some are in their normal horizontal orientation. The text is in a bold, sans-serif font.

The image consists of a grid of text elements. The primary text is 'NINETEEN EIGHTY TWO', which is repeated numerous times in different sizes and orientations. Some instances are rotated 90 degrees counter-clockwise, while others are rotated 90 degrees clockwise or are oriented horizontally. A few instances are also mirrored horizontally. The text is rendered in a bold, sans-serif font. The background is plain white.

# MARQUETTE'S SCHOOL LEADERS HAVE A BUSY YEAR

DR. Gene Panning became Superintendent of Marquette Consolidated Schools in July of 1981. His Bachelor's Degree was received from Wayne State College, a Master's Degree from the University of Wisconsin, attended Harvard University, and a 1969 was awarded a Doctorate from the University of Northern Colorado.

Dr. Panning has taught instrumental music, and industrial arts, was Director of Instruction and Curriculum of Douglas County Schools in Castle Rock, Colorado, has been an elementary and high school principal and was Superintendent of Schools for eight years at Ogallala.

His wife, "Bert", a media specialist at Youth Development Center in Kearney, and he have three children.

Mr. George Harris has taught at Marquette for 24 years. He graduated from Kearney State College in 1958, and has attended classes at the University of South Dakota and the University of Nebraska for further work in his field.

Two years ago, Mr. Harris, became Principal in addition to teaching in the Social Studies and Science Departments.

Attending meetings long into the night were board members Gloria Barnesberger, Eldon Gustafson, Jim Luff, Lanny Menke, Clayton Nelson, and Dave Vetter. Here they are pictured at one of these meetings.

Our girl Friday for the past five years has been Lavonne Hutsell. LaVonne has lived in Marquette for 25 years. She got her training for her skills from the Grand Island School of Business. All three of LaVonne's sons have graduated from MHS.

In her time away from school, LaVonne enjoys needle point, crocheting, sewing, cake decorating, and traveling.

# MARQUETTE PERSONNEL ARE ALWAYS HELPFUL

Shirley Beck and Nancy Nunn are the school bus drivers each morning and afternoon. They also sponsor many field trips and other school outings.

Darold and Lucille Larson are the husband and wife custodian team. They are always willing to help and keep our school in tip-top condition.

Mary Ann Nelson and Connie Sailors prepare the hot lunches for the school. Their job has been made much more pleasant with the completion of the new kitchen and cafeteria.

We appreciate all the work these people do for our school, and their help in making it a better place to go to school.

John Ricketts and Curtis Moore are among the student helpers in the kitchen.

Proving that Principals are overworked and underpaid, Mr. Harris steals food from these unsuspecting Greeks, or is he merely underfed?

Ah, the memories.

In September, the Junior Class had a carwash to raise money for the Junior-Senior Banquet. Our Homecoming float had a cemetery with the theme of "Put 'em under," and was persuaded down the streets of Marquette. Sledding one Saturday afternoon, then pizza to warm us, was a winter activity just for fun.

We plan on having a slave days for another money making project. We will be busy planning the main happening for spring, the Junior-Senior Banquet.

The American History class, all juniors, managed to gorge down eight pies one day during class, it sure beats a lecture on the Civil War!

"Pleased ta Meetcha" is the title of the class play we are going to produce this spring.

The Sophomore Class sold Marquette Cubs Towels during football season. Our most successful money-making project was selling posters.

Concessions, which we had three times, are always a lot of work; but a good source of income for our class treasury.

Our Homecoming Float took first place in the parade. The theme, "Wash out the Bulldogs," featured a bulldog in a bath tub.

As we move up the ranks of being upper classmen, we are anticipating the selection of our class rings in April. The other spring occasion that we are looking forward to is our class party.

The seventh grade's first sales campaign was a "whopping" success with sales of over 150 candles. This money will go toward a class party before school is out. Skating or swimming will probably be the activity for this party.

A tour of the Wildlife Area at Bader Memorial Park will be part of a day-long field trip on May 7, topped off by a picnic. This field trip will be taken with the eighth grade. Planning this and also helping with eighth grade graduation will keep us busy this spring.

Sixth graders working hard in their new room.

The sixth grade class for 1981-82 consists of four boys and fourteen girls. They began the year in the Art room and have now settled into their half of the 4th, 5th, and 6th grade room of the new addition.

Some of the things we have enjoyed doing this year are as follows:

"Doing science experiments," said Dara Jacobsen and Jeri Russell.

"Being on the game committee for holidays," said Vickie Montgomery and Teri Paup.

"Writing limericks in Language," said Penny Andersen and Tamera Heuson.

This spring the sixth grade will be taking their annual field trip and enjoy in the spring track and music events.

Fourth grade has been enjoying studying Nebraska and all the different activities that go with it.

Of course, our one big event of the year was moving to our new room. We have planned our school parties, having a committee for each party chosen from our room. We are looking forward to our spring events — "field trip" and "track day."

Grades four and five have shared a classroom and their teacher, Mrs. Anderson, this year.

The big event of our school year was the birth of Mrs. Creech's baby girl, Stephanie. Mrs. Hazel Hill substituted for Mrs. Creech. Herb Bankson was our volunteer.

In our Math Classes, each student is trying to become a "wizard" in giving correct answers to the addition and subtraction facts in second grade; in third grade, the multiplication and division of facts.

"A Bunch of Golden Keys is Mine" was on the lips of the second and third grade citizens. Each key is a good manners key and it opens the door of *Politeness*.

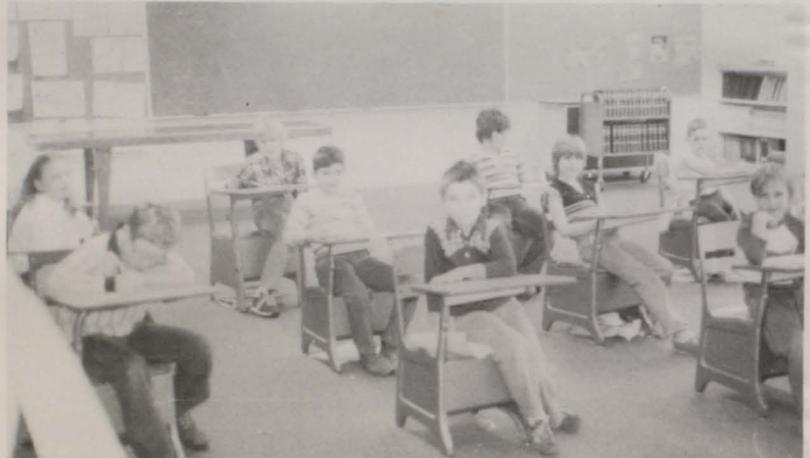

*What do you know about Marquette?* is on one of the bulletin boards. Each student has put on an information fact about Marquette of long ago or in the present time. Who is the oldest male and female resident in Marquette? Did you know Marquette once had a flour mill? When Marquette celebrates its centennial this summer, the second and third grade youngsters will be enthusiastic boosters!

We celebrated Nebraska's 115th birthday, March 1, with a blue and gold birthday cake. In Social Studies class we are learning about our state, nation, and the world.

An electrician talked to us about his profession on Friday, March 12. He was in charge of wiring, etc., for the new addition to the building.

Our cursive writing improved. We used the d'Nealian Method for four years, in Marquette Schools. The Grand Island Schools thought they were the only elementary school in the state using this method. This statement was published in the Grand Island Independent. A second grade student wrote a letter to the editor stating the status of Marquette.

One student's most vivid memory is the immense amount of fire drills they had.

Sometimes we work sometimes we don't.

There were 28 first graders, that had a very busy year. They learned to read and enjoyed spending their extra time reading a good book. They really enjoyed reading along with their new reading tapes.

In math, they learned to add and subtract, besides counting money and telling time.

This year the first graders had pen pals in Douglasville, Georgia. They received Christmas stockings and candy canes from their first grade pen pals along with letters. The first graders sent them cards and letters and for Valentines, they sent woven Valentine baskets with a lollipop. This was a wonderful experience for them.

The first graders got to be involved in a new language program called T.A.L.K. We had lots of fun and even had Roberta Stiles, Project Director, from Rockford, Illinois, come to observe our class.

In Science the first graders took care of two hermit crabs, Princess Stephanie and Lazy Jones, and plants as part of their study of living things.

Along with all of their studying, we had holiday parties and are looking forward to planning our field trips.

A big highlight of the year was helping with the move into the new elementary wing. We are enjoying the use of the new facilities.

Holiday parties were made lots of fun with the games and treats supplied by party mothers.

# FOOTBALL SEASON ENDS ON A WINNING NOTE

Front row: Blake Sanderson, Brad Swanson, Dennis Saum, Ken Russell, Lynn Menke, Derek Nissen; Second row: Curt Anderson, Kevin Hutsell, Ross Gustafson, Wes Beck, Gary Young, Mike Johnston, Mike Larson; Back row: Coach Jacobsen, Bill Olson, Bill Manka, Brent Sanderson, Jim VanBibber, Bill Griffith, Todd Danhauer, Dan Beck, Earl Reyner, Coach Abele.

The Marquette Cubs football team ended the season on a winning note. The Clubs won the last two games of the season against the Giltner Hornets and the McCool Mustangs.

Cubs captains were Bill Griffith and Jim VanBibber, two seniors. Also providing additional leadership were seniors Wes Beck and Brent Sanderson.

The team, under the new coach Carl Abele, worked hard and long preparing for the games on Friday nights. The guys all worked hard, but they also had their fun times — like all the dog piles, remember, Bill Manka?

Over all, the season was good. Coach Abele was happy with the leadership that everyone showed throughout the season. He was also pleased with the hard work and the determination.

What about next year? Coach Abele thinks the season looks promising. With a group of kids who are willing to work hard and show the determination to want to win, the season looks to be successfull!

Junior Dan Beck dodges two players to gain yardage on the punt return.

Senior leader Bill Griffith pushes off a Hordville Bulldog as he tries to gain extra yardage.

At the beginning of the football season, Mr. Gilson signed a contract with the football squad. The contract stated that if the football team won 2 games in a row, he would shave off his mustache. As you can see, the contract is being fulfilled!

Sophomore Gary Young is all alone as a couple of Hampton players have bitten the dust in pursuit.

## 1981 HOMECOMING WEEK

Hat day set off Spirit Week for Homecoming '81; then favorite food day, toga day, beaten bulldog day, and blue-gold day on Friday. The countdown led to October 16, when Marlene Nelson gave a welcome for the afternoon program. The Cub-ka-zoo marching drill team danced and awards were given to the best dressed of the week.

Suspense was then broken when Bill Griffith and Linda Johnston were announced King and Queen. The program was topped off with a parade.

That Friday night, a football game was played against Bradshaw. After an 8-8 half-time score, the Cubs were defeated 24-14.

A dance after the game highlighted the Homecoming activities.

The Cublettes were in the Hampton Tournaments for the first time. The experience helped the girls later in the season.

The girls ended the season with a pizza party held by Coach Friesen. At the party, the girls voted on "Charlie Hustle," which Cindy Larson was named to; Most Valuable Player went to Krista Sailors; and Most Improved Player went to Tiffany Caullier.

Michele Donlin received All-Conference Tournament, second team; All-Conference, Honorable Mention; and All-Area, Second team.

Set for a spike.

# MANY HIGHLIGHTS BRIGHTEN THE

Nineteen girls started and completed the 1981-82 basketball campaign. They played eight junior varsity games and twenty varsity games and completed the varsity season with nine wins and eleven losses. After a slow start (five losses), the Cubs managed to compile a nine and six record throughout the remainder of the season.

The Cubs placed third in the Fullerton Holiday Tournament and fourth in the Crossroads Tournament. The season ended with a three point loss to Giltner (the eventual champion) in the semifinals of the District Tournament.

# CUBS HAVE AN IMPRESSIVE SEASON

The Cubs surprised a few people with an 11-10 record and a fifth place finish in the Crossroads Conference. Preseason pick had them picked to finish 9th with only one returning starter, Bill Griffith; and two returning lettermen, Brent Sanderson and Curt Andersen; the Cubs were to be hard pressed to win many games.

Along with Wes Beck and some vastly improved juniors and sophomores, the team went through a very difficult schedule which included State Champion Hordville, Hampton; and Class C toughies Palmer, Shelby, Fullerton, and Osceola. We came out with a winning record. Some of the highlights of the past season were wins over undefeated Benedict, Polk, and Bradshaw and a district win over Trumbull, on a last second shot by Kevin Hutsell.

Curt Andersen and Bill Griffith were named All-Area Honorable mention.

# GIRLS' TRACK — SMALL BUT COMPETITIVE

Seven girls were all that comprised the 1982 girls track team, led by seniors Krista Sailors and Cindy Larson. Although small in numbers, the girls did well in every meet; finishing no worse than sixth in any major meet.

There were five returning letter winners: Krista Sailors, Cindy Larson, Christine Blum, Rhonda Olson, and Marlena Fox.

Two records were set this year. The 3200 meter relay; which was composed of Cindy Larson, Christine Blum, Wendy Blum, and Rhonda Olson, with a time of 11:43.66. Also, the 3200 meter, run by Rhonda Olson, with a time of 12:57.5. One record was tied, the 100 meter low hurdles, run by Wendy Blum in 19.1 seconds.

The season began with a group of inexperienced young men. By the end of the season, we had become contenders in many events. The future looks bright for Marquette "thinclads."

All seventeen team members received letters. The leading scorer was Lynn Menke in the 100, 200, and 400. Other high point-getters were Dan Beck and Kevin Hutsell in the hurdles, Tom Olson in the two mile, Todd Danhauer in the pole vault, Earl Reyner in the discus, and the two-mile relay team of Blake Sanderson, Ross Gustafson, Bill Olson, and Dennis Saum. This relay team placed in every meet.

The following school records were set: Dan Beck, Gary Young, Kevin Hutsell, and Lynn Menke in the 400 meter with a time of 47.7. Kevin Hutsell set a record in the 300 intermediate hurdles with a time of 47.00.

Lynn Menke and Dan Beck qualified for state.

## JUNIOR HIGH BOYS' AND GIRLS' SPORTS

The grades seven and eight sports program is a part of, and an extension of, their physical education program. The purpose of the interschool sports program in flag football, volleyball, basketball, track, and cheerleading is to provide an opportunity for all junior high students to experience the activity program. Victories are secondary to the above stated purpose, but make the activity all the more meaningful when they occur.

The flag football team had a 1 win and 2 loss record; the volleyball team had a 6 win and 1 loss record; the basketball teams each had 1 loss and the track teams did well with the boys finishing in sixth place and the girls finishing in second place in the Crossroads Junior High Conference Track Meet.

Boys' basketball and football: Mike Larson, Ritchie Peterson, Derek Nissen, Dana Harris, Craig Barnesberger, Ivan Skidmore, Greg Ruzicka. Front row: Scott Montgomery, John Ricketts, B.J. Holtan, Curtis Moore, and Lance Jones.

# FUTURE HOMEMAK

The Marquette FHA Chapter has been very busy this past year. The year started with a summer retreat. This fall, all the girls welcomed the new members at a potluck supper. In October, District Convention rolled around and found Christine Blum busy as Vice President of our district. Competition in Search events gave Lisa and Melissa a bronze medal for a career awareness speech. Linda also went, with an Encounter slide program.

FHA hosted a dance this winter. At the beginning of the year FHA members drew the name of their secret sister. Then at the annual Christmas Party, we passed out gifts, ate, and sang some Christmas carols.

April was the time for the FHA salad supper. Every member brought a different salad and helped make homemade rolls. Another money - making project was selling magazines. The state convention was held in April, and members attended this to learn more about FHA.

At the Installment Banquet, everyone said farewell to the seniors. Steven Niles was the speaker and Christing and Linda each gave a slide presentation.

FHA Members, Back row: Brenda Buck, Marlena Fox, Glenda Nutzman, Robin Barnesberger, Krista Sailors, Tammy Carnes, Christine, Michele Donlin, Linda Johnston, Cindy Larson, Michelle Vanosdall, Carol Jackson. Middle Row: Tammy Riblett, Khristy VanBibber, Tracy Skidmore, Lisa Ferguson, Wendy Blum, Lisa Ortegren, Melissa Nelson, Pam Donlin, Tracey Ortegren, Barbara George. Front Row: Billy Carnes, Kim Swanson, Rhonda Olson, Donna Menke, Monica Hutsell, Marnie Nelson, Melanie Holtan, Tonja Jacobsen, Shauna Manka.

Lisa, Melissa, and Linda participated in Search events.

## MARQUETTE ORGANIZATIONS

The Annual Staff's accomplishments need not be explained here; since you are reading this book; you can see them for yourself.

Ross and Bill were super salesmen in selling ads for raising money. They were the winners of our free annual.

Cindy, Michelle, and Michele were our co-editors. They, along with the seven other members of our staff, kept our cameras busy and captured many memories of MHS 1981-82.

Annual Staff Members, Front row: Linda Jonnston, Khristy VanBibber, Marlena Fox, Bill Olson. Back row: Chris Blum, Michelle Vanosdall, Cindy Larson, and Michele Donlin. Not pictured is Ross Gustafson.

M Club members and officers, Front row: Cindy Larson, Secretary; Wes Beck, Linda Johnston, Treasurer; Brent Sanderson, Bill Griffith, President; Krista Sailors, Michele Donlin, Curt Andersen, Jim VanBibber, Vice President; Michele Vanosdall. Middle row: Tom Olson, Earl Reyner, Mike Johnston, Ronda Olson, Khristy VanBibber, Robin Barnesberger, Tracy Skidmore, Marlena Fox, Glenda Nutzman, Chris Blum, Gary Young, Bill Olson, Robert Kluna. Back row: Kevin Hutsell and Dan Beck. Not pictured: Phillip Jackson, Todd Danhauer, sergeant at arms, Ross Gustafson, and Bill Manka.

# ACCOMPLISH GREAT THINGS

Cubs Den Newpaper Staff: Mrs. Hutsell, Chris Blum, Michelle Vanosdall, Tammy Carnes, Bill Griffith, and Michele Donlin.

Seven MHS student served as Cubs Den Staff members this year. Robin Barnesberger, Dan Beck and Christine Blum represented the junior class. Seniors Tammy Carnes, Michele Donlin, Bill Griffith, and Michelle Vanosdall completed the staff. Under the direction of sponsor LaVonne Hutsell, the staff published eight issues. The final issue was dedicated to the MHS graduating seniors.

Student Council Members: Glenda Nutzman, Vice President; Tracy Skidmore; Brenda Buck, Pam Donlin; Tonja Jacobsen, Secretary; Earl Reyner, Melissa Nelson, Treasurer; Lance Jones; Brent Sanderson; Bill Griffith, President, and Kevin Hutsell. Not pictured is Derek Nissen.

This was an organizational year for the Student Council. A new constitution was written and approved at our semi-regular meetings.

At Christmas time, we sponsored the secondary movie and grab bag party. Student Council arranged for "Santa" to visit the elementary from the North Pole.

Engineering moving day was a big challenge for us, but we got the job done.

# THE SOUND OF MUSIC

Uniforms! Brand new marching band uniforms was the major topic for this years musicians.

Once again the marching band marched in the Harvest of Harmony parade in Grand Island. Michele Donlin was Marquette's representative. Chris Blum served as Majorette again this year.

On April 23 everyone traveled to Fairmont for District Music Contest. Receiving Superior ratings were: the Senior Trio, consisting of Michele Vanosdall, Michele Donlin, and Linda Johnston; a tenor saxophone solo by Bill Olson; and a vocal solo by Michelle Vanosdall. Receiving an excellent were the Triple Trio; a clarinet solo by Rhonda Olson; and a vocal solo by Bill Olson. Also competing were the Marquette Band and the Freshmen Quartet consisting of Lisa Ortegren, Melissa Nelson, Wendy Blum, and Brenda Buck.

Michelle Vanosdall was selected into the 1981-82 Plainsmen Honor Choir at Nebraska Wesleyan University. This is a select chorus with acceptance only through auditions. Michelle was also chosen as recipient of the Arion Award for participating and excelling in all areas of music.

Chorus: Sharon Bebout, Director; Mike Johnston; Bill Olson; Chris Blum; Michele Donlin; Linda Johnston; Cindy Larson; Glenda Nutzman; Michelle Vanosdall; Melissa Nelson; Lisa Ortegren, Wendy Blum.

Senior Trio: Michelle Vanosdall, Linda Johnston, Michele Donlin

# JUNIOR AND FRESHMAN CLASS PLAYS

On April 16, the Freshman and Junior classes entertained an audience of over two hundred people with a one-act and a three-act play, respectively.

"Dr. Jekyl's Hyde-Out," the Freshman play, found the audience thrust into the madcap laboratory of Dr. Jekyl, whom, as the story goes, turns into the famed Mr. Hyde. Through a change of identities, Mr. Hyde finds his true lover after his maid, Lucy, drinks the monster-making potion.

The Junior class showed us that luxurious living is not what it is cracked up to be in their production of "Pleased to Meetcha." The Bixby family discovers their home can be burglarized just as easy as saying, "One, two, three, lights out." During the course of the play, mistaken identities are found out and the thief is caught.

A new feature this year was the introduction of a dinner theatre sponsored by the Junior class. Seventy people enjoyed a delicious fried chicken dinner.

An enjoyable evening was experienced by everyone in attendance.

Juniors: Tracy Skidmore, Robin Barnesberger, Khristy VanBibber, Ross Gustafson, Dan Beck, Bill Olson, Tony Hurley, Earl Reyner, Bill Manka, and Chris Blum.

"Pleased ta meetcha, how do you do, happy to make your acquaintance, some remark in general," Elmer says to Helen.

The annual Athletic Banquet of past years was replaced this year by an Activities banquet in order to represent all groups. After Dan Beck gave the invocation, dinner was catered by Helen's. When everyone was full and had finished socializing, the awards were given. Mr. Harris announced each name, they came forward, and their honors were read off. Mr. Panning and Mr. Jacobsen gave out the awards.

The 1982-83 Student Council officers were announced, as were the cheerleaders for next year.

After all this, it was time to dance to DMD Disco. Lights and loud music added the final touch to the gym that was decorated in burgundy and silver streamers. With all this, it topped off a year to be remembered by many.

# SENIOR SNEAK TRIP TO OZARKS

On May 7 we were on our way. A couple of minor setbacks were experienced, such as being pulled over by state patrolman and a flat tire.

We arrived first at World's of Fun and then went to Osage Beach, Missouri. Monday, May 10, we were back in Marquette.

Our senior days are almost over; but as the years go by, we'll always remember those few days we enjoyed together as a class on our senior sneak trip.

# MONDAY, MAY 24, 1982, CLASS OF 1982 GRADUATES

1982 Graduates, Back row: Wesley John Beck, Jr., James Eugene VanBibber, Curtis Lee Andersen, William Ray Griffith, Brent Allen Sanderson. Front row: Michele Lynn Donlin, Tammy Jo Carnes, Cynthia Renee Larson, Krista Kay Sailors, Michelle Marie Vanosdall, Linda Lou Johnston.

On Monday, May 24, 1982, eleven young men and women graduated from Marquette High School. Baccalaureate and Commencement Services were held in the gymnasium on this cool rainy evening.

Class colors were dark blue, ice blue and white; class motto was "If ever we shall meet again"; class flower was the white rose with blue tips, class escorts and ushers were Christine Blum and Danny Beck and Marlene Fox and Earl Reyner. Mr. Carl Abele was the class sponsor.

After marching in to the Processional, played by the Marquette School Band, the invocation was given by Reverend Charles Pollard. The senior girls sang "Time" and "I'll Always Remember". Senior Curtis Andersen read the scripture, followed by Reverend Pollard's sermon entitled "If I Ever Find Out Who I Am, Will I Still Like Me?" Dr. Gene Panning, Superintendent, and Dave Vetter, President, Board of Education, awarded the diplomas. Senior Linda Johnston said the closing prayer.

Seniors were congratulated by friends and family immediately after the graduation ceremony.

"Oh no I didn't," declares Curt Andersen to Harris. Michele laughs knowingly.

# MOVING DAY AT MARQUETTE

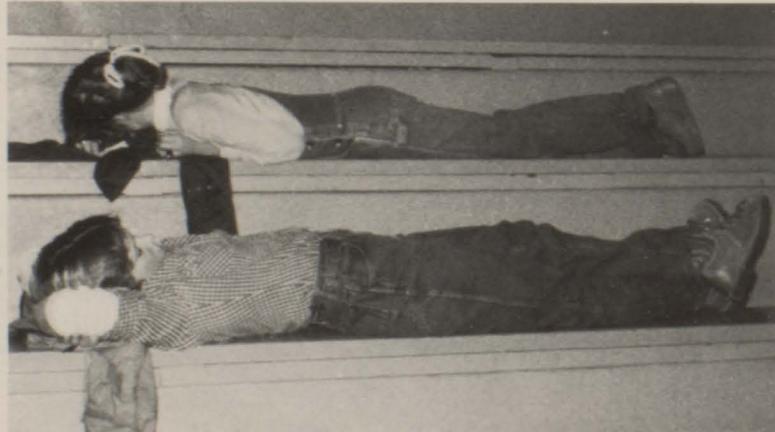

October of 1980 saw the passage of a bond issue for approximately 10,000 square feet of a new elementary wing for Marquette Consolidated Schools. This new area includes six additional classrooms, a kitchen, cafeteria, a special education room, and a guidance and nurse's facility. The elementary in use at the time would become a music room, shop area, superintendent's office, and the media center will take over the lower level.

The total cost of the project was \$385,000; which increased the mill levy by about 5.50 mills. Bids were let out in February, 1981. The general contractor was Geer-Melkas of Grand Island.

The following schedule shows the steps taken to completion of this building construction: (1) The tennis courts were removed. (2) The land was leveled by March, 1981. (3) By April 15, 1981, the foundation and footings had been poured. (4) The brick superstructure was up in April, also. (5) With the completion of the school year, the steel frame of the roof was in place. (7) Interior work was finished in July of 1981. (8) Finish work was in progress by school time. (9) A waiting period began. Minor delays in windows, painting, and carpeting set the time line back, but the move was completed by December 7, 1982.

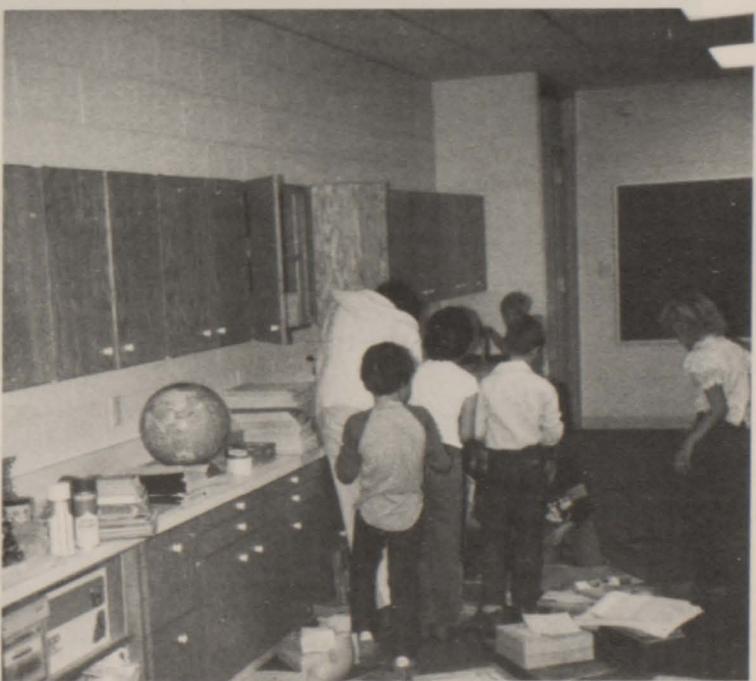

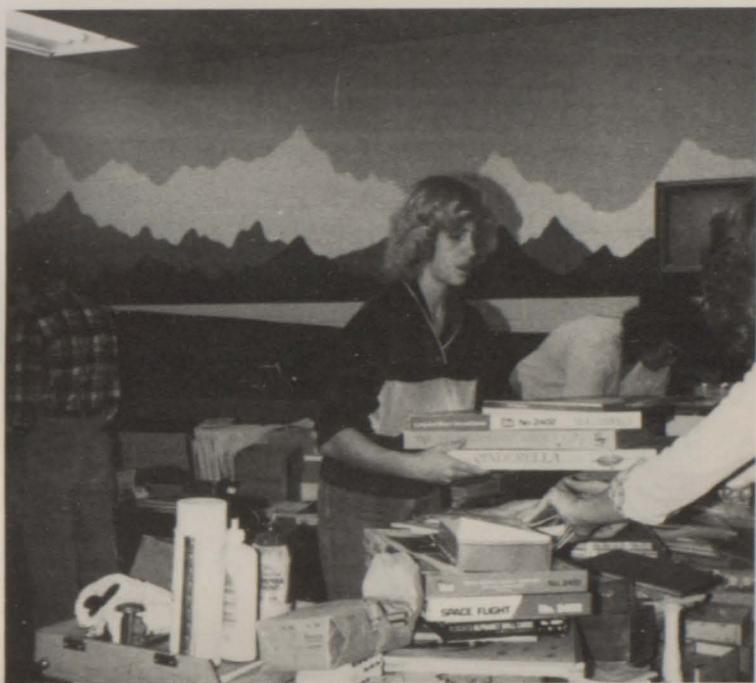

Students at Marquette, grades kindergarten through 12, accomplished this feat with guidance by our Student Council.
